APWA NEWS

LETTER TO MEMBERSHIP

Dear APWA Missouri Chapter Members and Friends,

As everyone settles into their normal routines after the holidays, I welcome all of you back to the Missouri Chapter of APWA! I am hopeful that 2023 will be a successful and exciting year for all of us.

As a member of APWA, each of you has ACCESS to the best education, training and credentialing programs in public works; the ability to CONNECT with a national network of more than 30,000 public works professionals for ideas, advice and career opportunities; and a resource to DEVELOP the skills, expertise and potential for you and your organization to better serve your community. Our association of professional engineers, technicians, operations staff, public works directors, business persons, contractors, consultants and many others join together to exchange ideas and information, promote education and training, and work as a team to meet professional and community needs. Locally, the Missouri Chapter set an all-time record of 672 members in 2002 as we continue to grow. I urge you to renew your membership if you haven't already done so.

As I mentioned in December, my "President's Point" is one thing I ask from you this month. **President's Point #2** – I challenge you to bring a co-worker, colleague or friend with you to a local event in January or February and introduce them to our community of members. That's exactly how I got involved, and now I'm the president! The future of our organization depends on new members, and I believe that we have much to offer them. Local events provide opportunities for continuing education, networking and fellowship at a minimal cost, typically covering a provided meal or other event expense.

Your Chapter and Branch volunteers have a lot of events in the planning stages. Stay tuned to the monthly newsletters or check the Chapter website Missouri.APWA.net for more details.

- St. Louis Branch Monthly Luncheons in Maryland Heights, the first of which is January 19
- Construction Inspection Course in Maryland Heights – March 1, 8 and 15
- Springfield Cardinals Baseball Game in Springfield – Spring
- Mid Am eXpo (MAX) in Overland Park, Kansas – May 22-24
- (Note that the Missouri Chapter does not host a Spring Conference this year)
- Ken Stumpf Golf Tournament in Fulton – August
- Mizzou Football Tailgate in Columbia – September
- Ken Yost Memorial Golf Tournament – October
- Missouri Fall Conference in Columbia – November

The greatest show in public works, the Public Works Expo Conference (PWX) will be held in San Diego, California this year, August 27-30.

Best wishes for a prosperous and healthy 2023 to you, your family and the communities you serve!

Sincerely,

R. Lee Cannon, PE, PTOE
2023 President

APWA NEWS

DECEMBER MEETING MINUTES

St. Louis Branch Meeting Minutes December 8, 2022

Holiday meeting called to order by John Keeven at 12:05pm. John thanked everyone for attending.

John led everyone in the pledge of allegiance and provided the Invocation.

John stated that this is the Holiday meeting so there will be no committee reports and only minimal Branch business. There will be a social here immediately after the meeting for anyone who wants to stay. Branch meetings will resume at Orlando's on January 19, 2023.

Lunch – The buffet opened.

John continued the meeting and announced that the kitchen was making more food. And that the donations to benefit the St. Louis Crisis Nursery would stay open for a few more minutes. Special thanks to everyone who worked on putting this luncheon together –Tod Fagan, Bill Schwer, Alex Sammett, Jon Loos.

Introduction of 2022 Officers and Vote (Jim Eckrich)

John Keeven – Chair
Derek Koestel – Vice Chair
Jon Loos– Secretary
Dave Stewart – Treasurer
Colleen West – Past Chair

Motion to approve the slate of 2023 officers made by Bill Schwer. Motion was seconded by Gary Scheipeter. All in favor say Aye. All opposed say nay. Motion passes.

Prize Drawings

Theresa Goetz, Travis Helmkamp, and Stephanie Parrish drew prize tickets

Adjournment

John thanked everyone for attending and reminded everyone to stay for the social, and since the buffet line ran slow, so we will extend the time on the social. Jon Loos will distribute drink tickets. Happy Holidays!

Meeting Adjourned at 1:34

Minutes respectfully submitted by Derek Koestel, Secretary.

APWA NEWS

MO CHAPTER APWA SPONSORSHIP

Dear Potential Sponsor,

The American Public Works Association (APWA) exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

We invite you to become a 2023 sponsor of the APWA Missouri Chapter and partner with our organization to further our mutual goals.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as our national parent organization, but we do so close to home where members can easily take advantage of our programs. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as chances to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Missouri Chapter APWA is offering your organization an opportunity to share in our mission and success through sponsorship. Annual sponsorships for 2023 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter, and can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients and strengthen your visibility in the state-wide public works industry.

Please take a moment to review the following sponsorship information, including the benefits of sponsorship, and consider choosing a level that best fits your abilities and company's budget. The benefits will be applied for the entire calendar year of 2023.

Silver Level: \$150 - \$499

Special recognition at Chapter conferences in the spring and fall
Sponsor's name printed on Chapter conference agendas in the spring and fall
Special recognition on APWA Missouri Chapter website and monthly newsletters

Gold Level: \$500 - \$999

All benefits of Silver Level Sponsor, plus:
Opportunity to write an article for the Chapter newsletter once per year

Platinum Level: \$1,000+

All benefits of Gold Level Sponsor, plus:
One conference registration and vendor booth for the 2022 spring or fall Chapter conference

To sponsor Missouri Chapter APWA for 2023, use the following link where payment method can be selected which includes check or credit card: <http://missouri.apwa.net/EventDetails/27716>

APWA Missouri Chapter is a division of the APWA national organization, which is a not-for-profit, 510 (c) (3) organization. APWA's Federal Tax Identification Number 36-2202880

If you have any questions, please contact me at (314) 822-5820 or via e-mail at kruegeca@kirkwoodmo.org.

Thank you for considering a 2023 sponsorship of the APWA Missouri Chapter!

Kindest Regards,

Chris Krueger, P.E.
Vice-President

APWA MO CHAPTER OUTREACH

APWA Missouri Chapter Donates to the Salvation Army in Jefferson City

Chapter Delegate Eric Landwehr joined Fran Stumpf on Friday, December 16, 2022 to present a donation of \$3,300 to the Salvation Army in Jefferson City. The donation was made by the Missouri Chapter in memory of Ken Stumpf, a longtime member of the chapter that passed away in 2015. The 2nd annual Ken Stumpf Memorial APWA Mid-MO Golf Classic held in Fulton, MO on August 8, 2022 and all the proceeds from that tournament were donated. Fran Stumpf is the wife of the late Ken Stumpf and mother of Steve Stumpf, Chapter Director for Awards and Historical. Fran was very humbled by the generosity of the chapter and was glad to be a part of this effort.

Major Justin Windell from the Salvation Army was present to accept the donation. Major Windell expressed his gratitude for the donation and said that the funds will go to support their mission and the many needs that they have.

EMPLOYMENT

EMPLOYMENT OPPORTUNITIES

City of Clayton
Public Works Engineering Internships
Starting at \$17-18/hour

The City of Clayton is accepting applications for up to three (3) Engineering Intern positions in the Public Works Department. Two Civil Engineering interns will work primarily on roadway construction projects, while one Mechanical Engineering intern will primarily work on facilities related projects. The Civil Engineering Intern duties may include construction/permit inspections for roadway, alley, sidewalk, and streetscape projects; tracking and documentation of construction project quantities; surveys of City sidewalks and other infrastructure to determine necessary repairs. The Mechanical Engineering intern may include reading plans to confirm building component and equipment data and vehicle inventory and other City assets using asset management software, and other duties as assigned. The anticipated internship duration is mid-May through mid-August 2023.

<https://claytonmo.applicantpro.com/jobs/2698183.html>

City of Des Peres
Engineering Intern (Construction)
\$15-\$17/hr

The City intends to hire one engineering intern for the summer, who will gain real-world experience in engineering and construction management.

Primary responsibilities will include construction management and inspections for street reconstruction projects, field surveys of infrastructure to determine necessary repairs, asset management with GIS, and other duties as assigned. Information on planned projects can be found at

www.desperesmo.org/projects

Knowledge of Microsoft Outlook, Excel, and Word is required. A valid Driver's License and clean driving record is required. Preferred qualifications include civil engineering students who have completed their sophomore year in college and prior in-field construction or inspection experience. Candidates must demonstrate responsibility and reliability while working on their own and with others.
