APWA NEWS

LETTER TO MEMBERSHIP

Dear APWA Missouri Chapter Members and Friends,

I want to send a huge thank you to all those that have sponsored us to date. There is still time to support the Missouri Chapter by becoming a 2023 Chapter Sponsor. If you haven't signed up for your sponsorship yet, please consider doing so at your earliest convenience. Use this link for more detailed information including details regarding payment methods: <http://missouri.apwa.net/PageDetails/7062> Annual sponsorships help to promote and enable the educational mission and goals of the Missouri Chapter. Sponsorship can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients, and strengthen your visibility in the state-wide public works industry throughout the calendar year. Please note that the Platinum Level Sponsorship at \$1,000+ includes the silver and gold level benefits, but also has the included benefit of one conference registration and a vendor booth for the fall 2023 chapter conference in Columbia, MO.

The Missouri Chapter of the American Public Works Association, established in 1958, engages in the same educational, networking, and public service activities as our national not-for-profit parent organization. APWA exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as multiple chances to network and socialize with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

There is no Missouri Chapter Spring Conference, so I encourage you to attend the MAX, Mid Am Expo at the Convention Center in Overland Park, Kansas held May 22-24, 2023. There will be five APWA Chapters represented there that includes Iowa, Kansas, Missouri, and Nebraska, which are considered the Heart of America Chapters. More details will be posted to the APWA website very soon. PWX 2023 will be held August 27-30 in San Diego, California. I've been looking at some chapter dinner options in San Diego that is sure to please. Check the national website, www.apwa.net for PWX registration which opens in March 2023.

Finally, a special thank you to all of our dedicated members for what you do and the talents you bring to the Chapter. If you are not yet a member or haven't renewed for 2023, please consider doing so through the national website: www.apwa.net. The many benefits provided by a membership in APWA, and specifically the Missouri Chapter, far exceed the cost of joining. Please contact me or any other Board member if you have questions, or if we can provide more detailed information about APWA and the Missouri Chapter.

Kindest Regards,

Chris Krueger, P.E.
Vice-President

APWA NEWS

JANUARY MEETING MINUTES

St. Louis Branch Meeting Minutes January 19, 2023

The meeting was called to order by Past Chair Jim Eckrich at 12:00 PM. Jim asked everyone to make their way to a table.

Jim opened the meeting by leading the Pledge of Allegiance and offered an Invocation.

Swearing in Ceremony

Current Past-Chair Jim Eckrich introduced Lee Cannon, Missouri Chapter President. After Lee remembered where he was he announce the slate of officers for 2023. The elected officers are John Keeven – Chair, Derek Koestel – Vice-Chair, Jon Loos – Secretary, David Stewart - Treasurer and Colleen West – Past-Chair.

Lee Cannon administered the Oath of Office to the new officers present. John Keeven, Derek Koestel, Jon Loos, and David Stewart were sworn in.

John Keeven took over the meeting and announced that we will give out the plaques to Colleen at a future luncheon.

Lunch

John announced that the head table will go first and then everyone please follow.

Announcements (all announcements provided by John Keeven except as noted)

- Your board is here to serve you for the betterment of APWA. We are open to suggestions/ ideas. Please feel free to talk with John (or the other board members) after any of the luncheons. You may e-mail or call us with ideas.
- Jon Loos was presented with a Certificate of Appreciation, In recognition of Outstanding Service as Chair of the Golf Tournament Committee.
- Engineering Day at the Capitol
 - Chris Linneman announced Engineering Day at the Capitol is February 22, 2023. Please consider attending. Contact Chris if you are interested. Flyers are on the tables with more information.
- New committee members are needed for 2023. Sign-up sheets for committee members are located near the doors. There is a sheet for each of the four Branch committees:
 - CONTINUING EDUCATION AND TRAINING COMMITTEE
 - SPECIAL EVENTS & ACTIVITIES COMMITTEE
 - KEN YOST GOLF TOURNAMENT COMMITTEE
 - ADVOCACY AND OUTREACH COMMITTEE

Committees should plan to have a short meeting after next month's lunch or schedule one soon.

APWA NEWS

JANUARY MEETING MINUTES (CONT.)

Please participate - it will make for a stronger and more vibrant organization.

Membership and Member Services

The same as 2022, we are not collecting branch membership fees and the lunches are planned to be \$25 for everyone. We changed this last year and tracked it for the year, and it worked out well.

Since there are no branch fees, the Membership and Member Services Branch committee is likely to be removed and only be a Chapter committee.

Continuing Education and Training

Public Works Director Roundtables and Superintendent Roundtables will resume in 2023.

Superintendent Roundtables are currently planned for March 22 in conjunction with a LTAP training session.

Public Works Director Roundtables are currently planned for March 23 prior to the March lunch. Keep an eye out for emails.

Contact Matt if you have a topic for either of these or if you are interested in joining this committee.

The Construction Inspection Class is scheduled for March 1, 8, and 15 at the Maryland Heights Community Center. Registration has been closed with 43 people registered. Anyone with questions can contact [Jim Eckrich](#), who will be taking over the administration of this class from Glenn Smith and Vijay Bhasin. The St. Louis Branch would like to express its sincere gratitude for the time and effort Glenn and Vijay spent on this course over many years.

Work Zone Safety and Flagger Training – Feb 21st at City of Arnold Public Works. Contact [Bruce McGregor](#) or see the chapter email for more information.

Special Events and Activities

The Special Events and Activities Committee are actively planning the year. So, be on the lookout for information. Please contact [Gary Whiteside](#) if you are interested in joining this committee.

Ken Yost Golf Tournament

The date for the 15th Annual Ken Yost Golf Tournament is tentatively set for September 18th. Please contact [Matt Malick](#) or [Jim Klein](#) if you are interested in helping plan that important event.

Advocacy and Outreach

The first prize drawing of the year will be at our May Picnic. Please contact [Theresa Goetz](#) if you are interested in joining this committee or if would like to donate items for the first drawing.

APWA NEWS

JANUARY MEETING MINUTES (CONT.)

Awards and Historical Committee (Missouri Chapter)

Vince Tallo Awards

The 2023 Vince Tallo awards will be recognized at the June meeting. Nominations are due to [Vijay](#) by May 1, 2023.

Chapter Awards (presented by Steve Stumpf)

Please consider joining the Awards committee, see [Steve](#) if you are interested.

If you have a high school student or know one please share the APWA scholarship opportunities. The 2023 scholarship award winners will be recognized at the June meeting. Nominations are due to Steve by April 1, 2023.

The chapter award winners were recognized at the fall conference. Nominations for 2023 awards are due to Steve Stumpf in the fall.

Steve called up Cliff Baber to present him with the Professional Engineer of the Year Award.

Missouri Chapter

- General Chapter Update offered by Lee Cannon
 - All of the present chapter leaders were asked to stand up and be recognized
 - Mike Teel is the new secretary and has traveled to be here from Jefferson City Area
 - Lee asked everyone to review the newsletter, he has added the presidents points he would like all to read the strategic plan
 - Please invite and bring a friend or colleague, not just to meetings but to our events such as:
 - Springfield Cardinals game
 - MID AM Conference
 - Ken Stumpf golf outing
 - PWX
 - Mizzou Tailgate
 - Fall Conference
- 2023 APWA MO Conferences Jacque Knight announced the MAX (Mid Am Expo) dates are May 22-24. Stay tuned for more details.

Communications

Contact [Steve](#) for any email announcements or job postings. Contact [Kelley Davis](#) for anything to be added to the newsletter.

Attendance prize winners:

Tiffany Campbell
Kurt Kutter

APWA NEWS

JANUARY MEETING MINUTES (CONT.)

Speaker Introduction by Derek Koestel

Amanda Brauer is the Manager of Roads and Traffic for St. Charles County. She has been in her current position since 2016 and has 19 total years of experience in the field of transportation engineering. Jake Becher is the Gateway Green Light Project Manager for St. Charles County. He has been in his position since 2020 and previously worked in the private sector specializing in traffic operations for 4 years.

Amanda and Jake provided a presentation about the Gateway Greenlight Program.

Derek presented Amanda and Jake with Certificate of Appreciation and Gift Cards.

John announced our next meeting of the APWA St. Louis Branch will be held on February 16, 2023 at Orlando's. This is the third Thursday of the month again.

The speakers will be Gary Whiteside and Josh Miller with GBA, who will speak about "What is EMPC". We hope to see you there.

Please consider joining a committee!!!!

Meeting Adjourned 1:03 PM

Minutes respectfully submitted by Derek Koestel, Vice Chair

APWA NEWS

MO CHAPTER APWA SPONSORSHIP

Dear Potential Sponsor,

The American Public Works Association (APWA) exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

We invite you to become a 2023 sponsor of the APWA Missouri Chapter and partner with our organization to further our mutual goals.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as our national parent organization, but we do so close to home where members can easily take advantage of our programs. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as chances to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Missouri Chapter APWA is offering your organization an opportunity to share in our mission and success through sponsorship. Annual sponsorships for 2023 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter, and can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients and strengthen your visibility in the state-wide public works industry.

Please take a moment to review the following sponsorship information, including the benefits of sponsorship, and consider choosing a level that best fits your abilities and company's budget. The benefits will be applied for the entire calendar year of 2023.

Silver Level: \$150 - \$499

Special recognition at Chapter conferences in the spring and fall
Sponsor's name printed on Chapter conference agendas in the spring and fall
Special recognition on APWA Missouri Chapter website and monthly newsletters

Gold Level: \$500 - \$999

All benefits of Silver Level Sponsor, plus:
Opportunity to write an article for the Chapter newsletter once per year

Platinum Level: \$1,000+

All benefits of Gold Level Sponsor, plus:
One conference registration and vendor booth for the 2022 spring or fall Chapter conference

To sponsor Missouri Chapter APWA for 2023, use the following link where payment method can be selected which includes check or credit card: <http://missouri.apwa.net/EventDetails/27716>

APWA Missouri Chapter is a division of the APWA national organization, which is a not-for-profit, 510 (c) (3) organization. APWA's Federal Tax Identification Number 36-2202880

If you have any questions, please contact me at (314) 822-5820 or via e-mail at kruegeca@kirkwoodmo.org.

Thank you for considering a 2023 sponsorship of the APWA Missouri Chapter!

Kindest Regards,

Chris Krueger, P.E.
Vice-President

For questions, comments or additional information contact Chris Linneman at cdlinneman@efkmoen.com

2023 LEGISLATIVE UPDATE

Initial numbers: Over 800 bills filed in the House. Over 500 filed in the Senate.

Key notes on House and Senate Leadership

- Cindy O’Laughlin was elected as Senate Majority Floor Leader
- Caleb Rowden, Senate Pro Tem
- Dean Plocher – House Speaker
- Jon Patterson – Majority Floor Leader
- Jamie Burger – Asst Maj Floor Leader
- House has 49 freshman, Senate has 8 freshman.
- House demographics – 111 Republicans, 52 Democrats
- Senate demographics – 24 Republicans, 10 Democrats

Some Key Bills to Watch

- [SB 408](#) – EXCAVATION: Sponsor: Schroer - This act provides that all political subdivisions shall require an excavation permit to perform excavation work involving directional boring in any residential area. Such permits shall require certain conditions as provided in the act.
- [HB 480](#) -- HAZARDOUS WASTE FACILITY PERMITS: Sponsor: Baker—Currently, a hazardous waste facility permit is not necessary for certain resources recovery facilities approved by the Department of Natural Resources. This bill removes this exemption.
- [SB 362](#)— Public notice requirements on public projects: Sponsor: Koenig— This act modifies the public notice requirements required for certain public contracts. Required to post an invitation for bid on its website or through some other electronic medium available to the general public and allow such invitation to be posted for a period of 10 days prior to bids being opened
- Governor Parson announced his [plan for I-70](#) at his annual State of the State address. Preliminarily: \$895 million, 19 miles in KC, 13 miles in Columbia, 20 miles in St. Louis.

Legislative Calendar

- | | |
|---------------------------------------|------------------------|
| • Wednesday, January 4 | First Day of Session |
| • Wednesday, February 22 | Engineering Day |
| • Monday, March 13 - Friday, March 17 | Spring Break |
| • Friday, May 12 | Last Day of Session |

AWARDS

2023 TALLO AWARD CALL FOR NOMINATIONS

The Vincent Tallo Service Award is presented by the Missouri Chapter APWA to employees of member organizations, municipalities, or firms who have completed thirty or more years of service to the public with a single organization, municipality or firm.

The Tallo Service Awards are named after Vince Tallo, who was a long time employee of Laclede Gas Company, and long time active member of the Missouri Chapter of APWA and strong supporter of public works. Vince worked at Laclede Gas from 1958 to 2001. In the 43 years he worked at Laclede, he held a number of positions through out his career including the position of Manager of Right of Way. In this position, Vince was the company's liaison with the 90 municipalities, City, County and State Officials and Highway Departments in the St. Louis Metropolitan area. He was the ultimate professional in his approach on everything he did and worked tirelessly in promoting fellowship with everybody he met.

Vince was an active member in the APWA for over 17 years. He first became a member in 1985 and became the St. Louis Branch Chairman in 1990, was the Missouri Chapter President in 1998 and remained active in the APWA up to his retirement. Vince passed away shortly after his retirement from Laclede in 2002.

Eligibility Requirements:

- Nominees must be employees of an APWA member organization, municipality, or firm.
- Nominee must have served for a minimum of 30 years with the same organization, municipality, or firm.
- The organization, municipality or firm must be a member of the Missouri Chapter at the time the nomination is made, but does not have to have been a member for the entire 30 year award period.

Selection Criteria:

- 30 years service with a single member organization, municipality, or firm.

Nomination Process:

- Organization, municipality, or firm must send letter nominating eligible employees stating employees name, current position, and term of service to the Chairman or to a member of the Chapter Awards Committee.

Deadline and Award Presentation:

- **Letters of nomination must be submitted no later than May 1, 2023.**

Individuals in the metropolitan St. Louis area will be recognized at the St. Louis Branch Public Works Week luncheon. Event details will be forthcoming. For further information, please contact Mr. Vijay Bhasin a bhasinassociates1@hotmail.com.

We appreciate your assistance in submitting the names of your friends, colleagues, and employees who meet these criteria.

MAPA RECYCLED MATERIALS ROUNDTABLE

Increasing The Sustainability and Performance of Roadways Through the Use of Recycled Materials

The Missouri Asphalt Pavement Association is happy to present Dr. William Buttlar, Ph.D., P.E. Director of [Missouri Center for Transportation Innovation](#) and Professor at the University of Missouri-Columbia, Redmond Clark with [Asphalt Plus](#), and Steve Jackson, P.E. member of MAPA Board of Directors from [NB West Contracting](#) as we discuss the growing political, environmental, and economic pressures to make roadway pavements perform better while being more sustainable.

This panel of experts will look at local success stories and their process of including rubber pavement modifications. This conversation will include exploring nontraditional federal funding for low carbon pavements.

This free event is sponsored by MAPA and NB West Contracting and will **include 1 PDH**.

Event Details

Wednesday, February 15 @ 3:30 pm – 6:00 pm

At NB West Contracting
18637 US Highway 66
Pacific, MO 63069

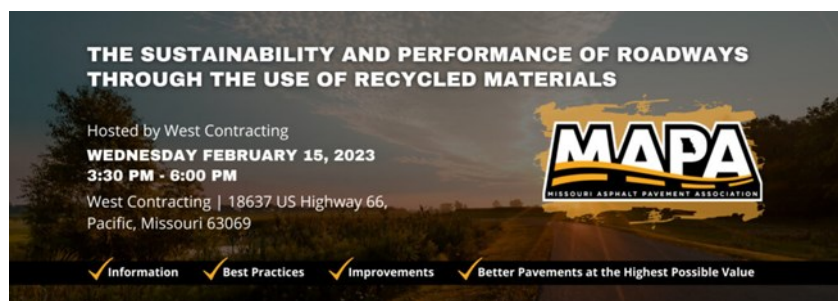

3:30pm – 4:30pm Panel Presentation

4:45pm – 6:00pm Networking Happy Hour

Learning Objectives

- Understanding the drive for increased sustainability in roadways
- Familiarize attendees with rubber pavement modifications including Engineered Crumb Rubber (ECR)
- Explore the successful results in local labs and on Missouri roadways
- Learn about the additional funding from the federal environmental agencies and understand resources available for grant assistance

Visit moasphalt.org/events for more information and registration.

TRAINING OPPORTUNITIES

ADA in the Public Right of Way with Construction Examples

When: Wed Mar 29th 8:00am - 2:30pm

Where: Olivette City Center, 1140 Dielman Rd, Olivette, MO 63132, USA

ADA in the Public Right of Way with Construction Examples - LII/III

This training provides participants with a basic understanding of ADA information needed to construct sidewalks and curb ramps on public rights-of-way that are compliant. The class briefly discusses laws relating to accessibility and published guidance. The focus of this course is more on constructability and compliance issues and less on the legal background. The MoDOT ADA Checklist has been recommended as an FHWA Best Practice for ADA projects and is now used on LPA projects as well as on MoDOT projects. Attendees will view photos of real-life examples of good and bad ADA installations.

To register, visit the following link: <https://tockify.com/kristi/detail/330/1680094800000>

Limited to 30 attendees because of room size.

Cost for this training: \$75 per person - government agencies; \$150 per person - private agencies.

LUNCH BE PROVIDED.

Missouri LTAP Training Policies

Registration Policy: Every attendee is required to be registered for each class. Failure to register before the class date will result in a fee of \$113/person (\$225/person for private agencies) being charged.

Cancellation Policy: Registrations must be canceled at least 48 hours prior to the class date. Failure to do so will result in being charged the full registration fee.

Professional Development Hours: PDH's will be provided via a certificate of completion for each training session provided by Missouri LTAP.

February is Black History Month. In celebration of black engineers, The McKelvey School of Engineering at Washington University has featured a profile of brothers William and Lawrence Knox on their website. The brothers made significant contributions in a number of areas, including the Manhattan Project. The profile was co-authored by a McKelvey faculty member.

Check out the profile here: <https://engineering.wustl.edu/news/2022/The-Knox-Brothers-Blackness-Brotherhood-and-Scientific-Achievement-at-the-Turn-of-the-20th-Century.html>
