YOUNG PROFESSIONALS UPDATE

The APWA Missouri Young Professionals (YP) Group comprises fun and outgoing professionals interested in building new networking connections.

The YP group aims to recruit, connect, and empower young professionals in APWA through increased opportunities and resources to enhance their professional development and success within the Association and the Public Works industry. Members are encouraged to be involved in various committees and help as much as possible. The group allows members to have fun, meet, and spend time with other public works colleagues outside the traditional work setting.

Please contact Nirav Patel at npatel@cbbtraffic.com to be added to the Young Professional's member list.

WELCOME NEW MEMBERS!

Due to the ongoing issues with the new website, we were not able to pull a list of new members again this month. However, we will be sure to recognize them in a future issue (maybe by May 2024).

To all the new members: Welcome to APWA Missouri!!

APWA NEWS

MO CHAPTER APWA SPONSORSHIP

Dear Potential Sponsor,

The American Public Works Association (APWA) exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

We invite you to become a 2023 sponsor of the APWA Missouri Chapter and partner with our organization to further our mutual goals.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as our national parent organization, but we do so close to home where members can easily take advantage of our programs. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as chances to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Missouri Chapter APWA is offering your organization an opportunity to share in our mission and success through sponsorship. Annual sponsorships for 2023 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter, and can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients and strengthen your visibility in the state-wide public works industry.

Please take a moment to review the following sponsorship information, including the benefits of sponsorship, and consider choosing a level that best fits your abilities and company's budget. The benefits will be applied for the entire calendar year of 2023.

Silver Level: \$150 - \$499

Special recognition at Chapter conferences in the spring and fall
Sponsor's name printed on Chapter conference agendas in the spring and fall
Special recognition on APWA Missouri Chapter website and monthly newsletters

Gold Level: \$500 - \$999

All benefits of Silver Level Sponsor, plus:
Opportunity to write an article for the Chapter newsletter once per year

Platinum Level: \$1,000+

All benefits of Gold Level Sponsor, plus:
One conference registration and vendor booth for the 2022 spring or fall Chapter conference

To sponsor Missouri Chapter APWA for 2023, use the following link where payment method can be selected which includes check or credit card: <http://missouri.apwa.org/EventDetails/27716>

APWA Missouri Chapter is a division of the APWA national organization, which is a not-for-profit, 510 (c) (3) organization. APWA's Federal Tax Identification Number 36-2202880

If you have any questions, please contact me at (314) 822-5820 or via e-mail at kruegeca@kirkwoodmo.org.

Thank you for considering a 2023 sponsorship of the APWA Missouri Chapter!

Kindest Regards,

Chris Krueger, P.E.
Vice-President

AWARDS

2023 PACE AWARDS

WE DID IT...AGAIN!!

For the **18th** year, the Missouri Chapter of APWA has won a Presidential Award for Chapter Excellence!! The PACE Award recognizes chapters for contributions made and dedicated efforts in developing programs and services that result in a positive impact for their members, public works profession and community. Detailed information on the award can be found here: <https://www.apwa.org/award/presidential-award-for-chapter-excellence-pace/>

The official picture of our Chapter members accepting the award will be featured in next month's newsletter.

Be proud of all of your hard work Missouri Chapter! Now, let's get working on that 19th award for 2024!

DEI

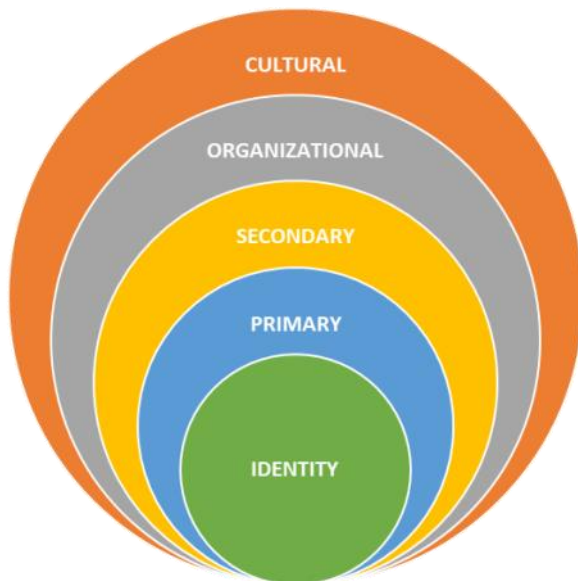

DEI UPDATE

Your DEI Committee has been busy behind the scenes. Several of us attended PWX 2023 in San Diego and wanted to share some of the information we learned.

APWA'S DEI Roadmap

This session was all about how the Committee for Diversity, Equity, and Inclusion is integrating DEI at the National level.

The 5 dimensions of diversity were discussed and how they relate to an organization:

- Identity - Personality
- Primary - Age, Ethnicity, Gender Identity, Mental/Physical Ability, Sexual Orientation, Gender, Race
- Secondary - Religion, Working Style, Language/Accent, Communications Style, Geographic Location, Marital/Relationship Status, Parental/Family Status, Appearance, Education
- Organizational - Level, Network, Union Affiliation, Role in the Company, Division/Department, Work Experience, Management Status, Education, Industry, Tenure
- Cultural - Time, Body Language, Traditions/Observances, Competition or Cooperation, Power and Authority Views, Conflict Resolution Preferences, Flexible or Structured, Personal Space, Individual or Teams, Being or Doing

Dimensions of diversity refers to the overall diversity of an organization and it's members who have different traits, backgrounds and abilities. It showed how we should consider the whole person and what they can bring to the organization and note just their qualifications or experience.

This session also discussed how the Committee for Diversity, Equity, and Inclusion is driving DEI Individual Learning and Awareness across APWA. Their areas of focus are:

- Provide DEI education to APWA volunteers and Facilitate DEI education for APWA members.
- Diversify education and engagement opportunities.
- Provide DEI education and/or resources to managers at public works companies and agencies.
- Provide DEI education to APWA staff.

There was also an interactive portion of the session where questions were asked in order to gauge how members were currently embracing DEI, and what is desired for DEI within APWA in the future.

APWA's Diversity Toolkit can be found here: <https://www.apwa.org/resource/diversity-toolkit/>

Look for more on DEI in next month's newsletter and be sure to join us on October 19th for a fun Diversity Happy Hour at Schlafly Bottleworks hosted by MO-APWA, MO-AWWA, and MWEA!
 Please see the [flyer](#) under the event section.

Strategies for Successfully Managing Change within Fleet Operations

Change can be difficult and inevitable, but when change is managed poorly it becomes even more challenging. Effectively communicating and garnering buy-in from those implementing the change as well as those impacted by the change is key to effective change management. During this program, speakers will discuss methods and keys to success for effectively managing change, making the process easier for you and others. It doesn't matter the change or who needs to get on board, these methods can help stakeholders welcome change instead of fighting against it.

Learning Objectives:

1. Identify methods to engage stakeholders in trying something new.
2. Recognize how to minimize resistance while changing perceptions and getting buy-in.
3. Determine potential methods to get upper management and constituents to accept change.

This program offers 0.1 CEU credits for the one hour presentation portion of the program. The final half hour, discussions in the lounge area is optional.

When: 10:00 a.m.—11:30 a.m., September 28, 2023

Hispanic Heritage Month:

National Hispanic Heritage Month kicks off on September 15th and goes through October 15th. It is a month-long celebration of Hispanic and Latino history and culture. The National Museum of the American Latino uses the term “Latino” to describe the diverse residents of the United States with cultural or ancestral ties to Latin America or the Caribbean.
