APWA NEWS

LETTER TO MEMBERSHIP

Dear APWA Missouri Chapter Members and Friends,

I want to send a huge thank you to all those that have sponsored us to date. There is still time to support the Missouri Chapter by becoming a 2024 Chapter Sponsor. Annual sponsorships help to promote and enable the educational mission and goals of the Missouri Chapter. Sponsorship can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients, and strengthen your visibility in the state-wide public works industry throughout the calendar year.

If you haven't signed up for your sponsorship yet, please consider doing so at your earliest convenience. Note, platinum Level Sponsorship at \$1,000+ includes the silver and gold level benefits, but also has the included benefit of one conference registration and a vendor booth for either the spring (Margaritaville, Lake of the Ozarks, Wednesday May 1 to Friday May 3) or the fall 2024 chapter conference (TBD).

Use this link for more detailed information including details regarding payment methods:
<https://missouri.apwa.org/news-and-announcements/2024-sponsorships-now-available/>

The Missouri Chapter of the American Public Works Association, established in 1958, engages in the same educational, networking, and public service activities as our national not-for-profit parent organization. APWA exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as multiple chances to network and socialize with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Additionally, The APWA Public Works Expo (PWX) 2024 will be held September 8-11 in Atlanta, Georgia. If you have never attended a PWX, I strongly encourage you to experience "the best show in Public Works". It provides an amazing educational and networking opportunity with an incredible exhibit floor. There, you can also join the rest of the Missouri membership in attendance at our chapter dinner! I am presently pursuing a great venue space for this outstanding evening! Check the national website, www.apwa.net for PWX registration.

Finally, a special thank you to all of our dedicated members for what you do and the talents you bring to the Chapter. If you are not yet a member or haven't renewed for 2024, please consider doing so through the national website: www.apwa.net. The many benefits provided by a membership in APWA, and specifically the Missouri Chapter, far exceed the cost of joining. Please contact me or any other Board member if you have questions, or if we can provide more detailed information about APWA and the Missouri Chapter.

Kindest Regards,
Kyle Bruemmer, P.E.
Vice-President

APWA NEWS

JANUARY MEETING MINUTES

St. Louis Branch Meeting Minutes December 7, 2023

2023 Chair John Keeven called the meeting to order at 12:03 PM with the Pledge of Allegiance.

Swearing-in Ceremony

John introduced Chris Krueger, the Missouri Chapter President.

Chris announced the 2024 slate of Branch officers:

- Chair – Derek Koestel
- Vice Chair – Jon Loos
- Secretary – David Stewart
- Treasurer – Theresa Goetz
- Past Chair – John Keeven

Chris conducted the swearing-in ceremony for the new officers and turned the meeting over to Derek Koestel.

Derek introduced outgoing Past Chair Colleen West who presented Past Chair John Keeven with a plaque for his service, and the traveling plaque to keep this year.

Lunch

Derek announced that the head table will go first and asked that everyone please follow.

Business Meeting

Following lunch Derek welcomed everyone in attendance and thanked them for coming. He reiterated the Board is here to serve the membership for the betterment of APWA and is open to suggestions/ideas. He then made the following announcements:

Certificates of Appreciation

- Three members completed their service on different committees and Derek recognized them for Outstanding Service as Chair.
- Those members are:
 - Theresa Goetz – Advocacy and Outreach
 - Matt Malick – Continuing Education
 - Gary Whiteside – Special Events & Activities
- Engineering Day at the Capital (Chris Linneman)
 - Engineering Day in Jefferson City next Wednesday, January 31st
 - Beginning at 9 AM
 - In conjunction with ASCE, ACEC, and MSPE

APWA NEWS

DECEMBER MEETING MINUTES (CONT.)

 - Gail Brown – Brown Realty
- Attendance Prizes
 - Tim Barrett (Present)
 - John Harshbarger (Absent)
 - Brandi Ball (Present)

APWA NEWS

DECEMBER MEETING MINUTES (CONT.)

Speaker

Jon Loos introduced the month's speaker: Kory Mathews, CEO of Advanced Manufacturing Innovation Center St. Louis (AMICSTL). Kory worked at Boeing for 39 years, primarily in Defense as a Program Manager, and retired in December of 2022. He is now the CEO of AMICSTL and as a lifelong St. Louisan, has a tremendous passion for both the region and manufacturing.

AMICSTL is a 501c3 headquartered in North St. Louis that is modeled after a similar operation in Sheffield, England. AMICSTL focuses on Workforce Development, Innovation and Research in the Manufacturing Section, and a state-of-the-art Facility to bring everything to fruition.

Jon presented Kory with a gift card and certificate of appreciation.

Derek made a few final announcements to close the meeting:

- The next business meeting for the Branch will be held on February 22, 2024 at Orlando's.
- The speaker will be Alexis Jaegers with the City of O'Fallon, speaking about O'Fallon's Community Foundation and Project HOME.
- Please update your calendars, several meetings have moved off the fourth Thursday this year.
 - o March 21
 - o July 18
 - o Wednesday, September 25

Derek adjourned the meeting at 1:07 PM

Minutes respectfully submitted by Jon Loos, Vice Chair

APWA NEWS

MO CHAPTER APWA SPONSORSHIP

Dear Potential Sponsor,

The American Public Works Association (APWA) exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

We invite you to become a 2024 sponsor of the APWA Missouri Chapter and partner with our organization to further our mutual goals.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as our national parent organization, but we do so close to home where members can easily take advantage of our programs. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as chances to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Missouri Chapter APWA is offering your organization an opportunity to share in our mission and success through sponsorship. Annual sponsorships for 2024 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter, and can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients and strengthen your visibility in the state-wide public works industry.

Please take a moment to review the following sponsorship information, including the benefits of sponsorship, and consider choosing a level that best fits your abilities and company's budget. The benefits will be applied for the entire calendar year of 2024.

Silver Level: \$150 - \$499

Special recognition at Chapter conferences in the spring and fall
Sponsor's name printed on Chapter conference agendas in the spring and fall
Special recognition on APWA Missouri Chapter website and monthly newsletters

Gold Level: \$500 - \$999

All benefits of Silver Level Sponsor, plus:
Opportunity to write an article for the Chapter newsletter once per year

Platinum Level: \$1,000+

All benefits of Gold Level Sponsor, plus:
One conference registration and vendor booth for the 2024 spring or fall Chapter conference

To sponsor Missouri Chapter APWA for 2024, use the following link where payment method can be selected which includes check or credit card: ([PAYMENT LINK](#)). The APWA Missouri Chapter is a division of the APWA national organization, which is a not-for-profit, 510 (c) (3) organization. APWA's Federal Tax Identification Number 36-2202880

If you have any questions, please contact me at (573) 592-3160 or via e-mail at CityEngineer@fulton.org.

Thank you for considering a 2024 sponsorship of the APWA Missouri Chapter!

Kindest Regards,

Kyle Bruemmer
City of Fulton
2024 Vice-President
APWA Missouri Chapter

Gold Level \$500+

Silver Level \$150+

APWA NEWS

APWA MO CHAPTER ADVOCACY UPDATE

For questions, comments or additional information contact Chris Linneman at cdlinneman@efkmoen.com

ENGINEERING DAY AT THE STATE CAPITOL

Our chapter coordinated with the KC Metro APWA Chapter, ACEC, ASCE, and MSPE for the 2nd Annual Engineering Day Event in Jefferson City at the Capitol Building.

We started with speeches from the 5 House Representatives who are engineers. We then divided up and met with numerous representatives and senators to discuss the importance of engineering and public works. The day ended with a speech from Governor Parson focusing on infrastructure.

125+ engineers from across the state attended, including many APWA-MO members. The event was a huge success, helping raise the profile of the engineering community within the legislature. If you missed it this year, be ready to attend in 2025!

APWA NEWS

APWA MO CHAPTER OUTREACH

Volunteers Needed for 8th Grade Mentoring Program!!!

Goal - To introduce the engineering field to under-resourced communities.

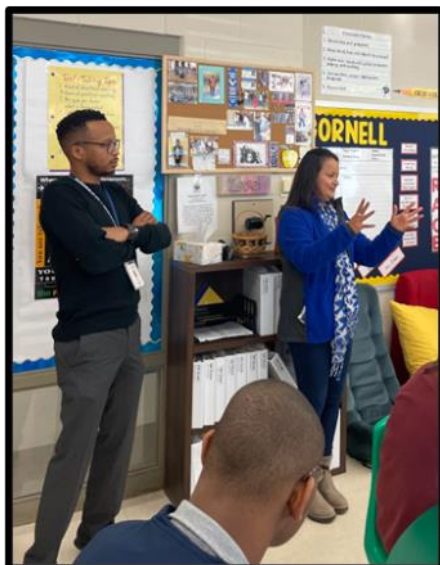

You can't be what you can't see. - Marian Wright Edelman

Last school year, a group of APWA members started a program to visit 8th graders in under-resourced communities to explain what infrastructure engineering is and work through an example of a problem that normally occurs in our field. This was a success!!! We were asked to come back this year. Below are the dates that we will be visiting the schools. We have a couple of presentations that are already made, or you can revise it to your experiences.

Please contact Amy Touchette Brown @ atouchettebrown@cdgengineers.com if you are interested.

UPCOMING APWA PRESENTATIONS:

- Feb. 8th - KIPP: Inspire Middle School
- Feb. 22nd - Confluence Old North Middle School
- Apr. 11th - Marian Middle School
- May 2nd - Northside Middle School

APWA NEWS

ST. LOUIS COUNTY TALLO AWARD RECIPIENTS

The St. Louis County Staff Tallo Award recipients received their certificates during a County function at Queeny Park back in August. St. Louis County Executive, Dr. Sam Page, was in attendance. Below are some photos from that event.

TRAINING OPPORTUNITIES

Veterans Employment and Training Services (VETS) – How They Can Help in Your Workforce Development Needs

The Workforce Development Committee is partnering with the Veterans' Employment and Training Service (VETS) to provide an overview of the VETS program and the opportunities for hiring veterans in Public Works Departments and Local Governments across the country.

Critical and key public works roles could be filled with this group of potential employees. Join us to learn more about this important opportunity to meet your workforce development needs.

After completing this course, participants will be better able to:

- a. Identify the benefits of hiring veterans.
- b. Describe opportunities ranging from on-the-job training to apprenticeship programs to internships and sponsored work placement.
- c. Identify resources provided by VETS to employ veterans, service members, and military spouses.

This program offers 0.1 CEU credits.

This program is sponsored by the APWA Workforce Development Committee.

Registration: Members \$35; Nonmembers \$50

Registration information: <https://www.apwa.org/event/veterans-employment-and-training-services-vets-how-they-can-help-in-your-workforce-development-needs/>

LAST DAY TO REGISTER: Noon CT March 13, 2024

Instructions for joining the webinar will be emailed to you the day of the event.

A recording of this program will be available through the APWA Resource Center 10-15 days following the live program.

Questions? Contact us at (800) 848-2792 option 2, or education@apwa.org

CALENDAR

TRAINING OPPORTUNITIES

Procuring and Contracting for Solid Waste and Recycling Services

Since solid waste and recycling contracts are typically long term, solid waste and recycling professionals often have limited experience with procuring and drafting contracts for these services. A successful procurement and contract can facilitate a long-term partnership that provides a reliable and quality service within the community. The discussion will include overview of key technical provisions, considerations to reduce cost of service, and much more.

After completing this course, participants will be better able to:

- a. Describe key solid waste and recycling contract technical provisions.
- b. Identify ways to reduce solid waste and recycling cost of service via the procurement and contracting process.
- c. Describe an overview of the procurement process and schedule for solid waste and recycling services.

This program offers 0.1 CEU credits for the one hour presentation portion of the program. The final half hour, discussions in the lounge area is optional.

This program is sponsored by the APWA Solid Waste Management Committee.

Instructions for joining the webinar will be emailed to you the day of the event.

Registration information: <https://www.apwa.org/event/procuring-and-contracting-for-solid-waste-and-recycling-services/>

A recording of this program will be available through the APWA Resource Center 10-15 days following the live program.

Position open until filled however, applications received by Friday, February 16, 2024 will receive priority consideration. EOE

OTHER

BLACK HISTORY MONTH

BLACK HISTORY MONTH

February is Black History Month. This month is an annual celebration of achievements by African Americans and a time for recognizing their achievements and important roles in U.S. history. Since 1976, every U.S. president has officially designated the month of February as Black History Month via Proclamation.

Black History Month in 2024 arrives with a powerful theme: "African Americans and the Arts." This theme shines a spotlight on the profound impact that Black creativity, innovation, and expression have had on the world of art throughout history. From music and literature to visual arts and dance, African Americans have continuously enriched the cultural landscape with their talent, resilience, and unique perspectives.

This month we celebrate the diverse array of artistic contributions made by Black individuals and communities. It prompts us to reflect on the ways in which African American artists have used their creativity as a means of self-expression, empowerment, and social change. From the poetry of Langston Hughes to the paintings of Jean-Michel Basquiat, the arts have served as a powerful vehicle for African Americans to assert their identity, voice their struggles, and celebrate their heritage.

As we celebrate Black History Month in 2024, let us not only honor the achievements of the past but also acknowledge the importance of supporting and amplifying Black artists in the present. Let us commit ourselves to fostering inclusive spaces that celebrate the diversity of Black artistic expression and to ensuring that all voices are heard and valued within the arts community.
