APWA NEWS

LETTER TO MEMBERSHIP

Dear APWA Missouri Chapter Members,

National Public Works Week is May 18-24 this year. Our Chapter has a strong history of recognizing and celebrating National Public Works Week (NPWW) across the state. The official theme this year is **PEOPLE, PURPOSE, PRESENCE**.

This year's theme, "People, Purpose, Presence," highlights three cornerstone ideals that motivate public works professionals to serve in their communities every day. Meeting the needs of people is what gives public works its sense of purpose. Many times, public works professionals will never meet those whose lives have been impacted because when things are going right, no one knows that public works is there. Yet, with or without fanfare, public works is ever present, working in the background to advance quality of life for all.

APWA has developed a How-To Guide of sample events and activities for celebrating NPWW which you can find [here](#).

Each year our Chapter requests the governor make an official proclamation for National Public Works Week for the state. Please consider having your local officials make an official proclamation for NPWW specifically for your community.

Government Advocacy is an important duty in our roles as public works professionals. Our coordinated effort with ACEC, ASCE and MSPE during the Engineering Day at the state capitol was a huge success again this year. Please continue to support events like that and look for ways to promote the importance of public works to our friends, neighbors and community.

We provide NPWW supplies to agencies to help promote public works every year. Last year 17 counties and municipalities in our Chapter received over \$2,000 worth of materials.

Please send us any pictures or stories showing how you celebrated NPWW in your community this year. We are always looking for more members to join our Advocacy and Outreach committee, so please let us know if you are interested in joining.

Respectfully,
Colten Harris, PE
Director of Advocacy and Outreach
Missouri Chapter of APWA

APWA NEWS

MARCH 2025 MEETING MINUTES

St. Louis Branch Meeting Minutes

March 20, 2025

Chair Loos called the meeting to order at 12:00 pm, ask everyone to find a seat, and then lead the Pledge of Allegiance.

Chair Loos asked the audience to share three good things. April Giesman Giesmann took her youngest son to visit the University of Alabama. Renee La Bruyere stated the children she has been fostering are eligible to be adopted so they will be starting that process. Lee Canon stated he went skiing for five days and did not get hurt.

Loos then released the hounds or as other people call them the head table to start lunch.

Chair Loos welcomed and thanked everyone for coming. He thanked Orlando's, as always, for hosting us. He had a special welcome to our colleagues from the Society of American Military Engineers.

Chair Announcements

Chair Loos reminded everyone to reach out to him or the committee chair directly if interested in joining a committee.

He announced that APWA was invited as a guest to the St. Louis Rotary Club's March Meeting on March 6. The speaker was Bret Berthold, Executive Director of MSD.

Jim Eckrich gave an overview of the Construction Inspectors Course.

STL Work Zone Awareness 5K is April 19th at 8 AM at the MoDOT TMC. The race is timed 5K, 1-Mile Fun Run, or Virtual Participant. Here is the link to sign up:

<https://runsignup.com/Race/MO/Chesterfield/WorkzoneAwareness5K>

Chair Loos announced Public Works Week Picnic will be May 22nd at Kirkwood Park. A big thanks to David Stewart for coordinating and to the City of Kirkwood for hosting us. As a reminder, there will not be a Rodeo this year.

Continuing Education and Training

Rick Brown gave an update on continuing education. Before the meeting, there was a Public Works Director Roundtable where they solved almost all the problems of the world.

APWA NEWS

MARCH 2025 MEETING MINUTES (CONT.)

Chair Loos continued the announcements:

- Fall Superintendent Roundtable, in conjunction with Viking-Chives luncheon, is October 30
- Several Upcoming Training Opportunities, registration is open on the MLTRC website.
- Bucket Truck Safety Training
 - April 29, 2025 (7:30 AM to 11:30 AM)
 - 1140 Dieman Road, Olivette, MO 63132
- Worker Safety Training
 - May 2, 2025 (7:30 AM to 11:30 AM)
 - 1140 Dieman Road, Olivette, MO 63132
- Introduction to Paving Materials – Asphaltic Concrete (Registration Coming Soon)
 - May 15, 2025 (7:30 AM to 11:30 AM)
 - 1140 Dieman Road, Olivette, MO 63132

Special Events and Activities

Theresa Goetz made an announcement that we will be going to the Arch Rival Roller Derby April 26. First game starts at 5:30pm. The plan is to get food afterwards at Uncle Bill's Pancake House on Manchester. Email her or Jeff if you plan to come so we can get group tickets.

Advocacy and Outreach

Travis announced the first fundraiser of 2025 will be at the May BBQ. Contact him for donations. Loos read the thank you note from Little Bit Foundation.

Ken Yost Golf Tournament

Matt Malick stated they are exploring other venues. Dates are flexible, but targeting a Monday in September.

Vince Tallo Awards

Vjay has 10 nominees as of today. The 2025 Tallo awards recipients will be recognized in June, and applications are due May 1. Email your nominations to: bhasinassociates1@hotmail.com

Missouri Chapter Update

Mid-MO Lunch will be Tuesday, April 29 11:30-1 PM at Shakespeare's South. The speaker is Brad Loos, Senior Associate Athletics Director, Development. He no relation to Chair Jon Loos.

APWA NEWS

MARCH 2025 MEETING MINUTES (CONT.)

Chapter Awards scholarship deadline is April 1. Award Nominations deadline this year is August 29.

Amy Touchette Brown stated sponsorship and booths are still available for the Spring Conference which is at April 9-11, Cape Girardeau, MO. The blocked rooms are taken but the regular rate is reasonable.

Michael Teal made an announcement about the Chapter Dinner for PWX – August 16-20, Chicago, IL. Monday night of PWX at Wrigley Rooftops, Cubs versus Brewers. We have registration for 70 people but we can get more. Please register as soon as it opens else the tickets will go to the general public.

Chair Loos stated to contact Jacque Knight for email announcements or job postings and contact Kelley Davis for items for the newsletter.

There were no first time guests.

Attendance Prizes goes to Heather Budwell and Dave Panos.

Michelle Cain gave SAME Announcements.

Speaker

Jay Shastri introduced the speaker, Jared Maples from the National Weather Service. He talked about the National Weather Service and what they do for the public.

Following the presentation, David presented Jared with a certificate of appreciation and gift card and turned the meeting back over to Chair Loos.

Chair Loos announced the next Branch meeting will be held here at Orlando's on April 24, 2025. The speaker will be Ali Carson, from Movere Coaching, talking about Gallup Strengths and Strengths Based Leadership. We hope to see you there.

Meeting adjourned at 1:25pm.

Minutes respectfully submitted by Theresa Goetz, Secretary.

APWA NEWS

MO CHAPTER APWA SPONSORSHIP

Dear Potential Sponsor,

The American Public Works Association (APWA) exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

We invite you to become a 2025 sponsor of the APWA Missouri Chapter and partner with our organization to further our mutual goals. Please note that by Sponsoring the Chapter, you are also sponsoring the St. Louis Branch of APWA. There are many events that the Chapter pays the branch to support branch activities.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as our national parent organization, but we do so close to home where members can easily take advantage of our programs. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as chances to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Missouri Chapter APWA is offering your organization an opportunity to share in our mission and success through sponsorship. Annual sponsorships for 2025 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter, and can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients and strengthen your visibility in the state-wide public works industry.

Please take a moment to review the following sponsorship information, including the benefits of sponsorship, and consider choosing a level that best fits your abilities and company's budget. The benefits will be applied for the entire calendar year of 2025.

Silver Level: \$150

- Special recognition at Chapter conferences in the spring and fall
- Sponsor's name printed on Chapter conference agendas in the spring and fall
- Special recognition on APWA Missouri Chapter website and monthly newsletters

Gold Level: \$500

- All benefits of Silver Level Sponsor, plus:
- Opportunity to write an article for the Chapter newsletter once per year

Platinum Level: \$1,000+

- All benefits of Gold Level Sponsor, plus:
- One conference registration and vendor booth for the 2025 spring or fall Chapter conference

To sponsor Missouri Chapter APWA for 2025, use the following link where payment method can be selected which includes check or credit card: ([PAYMENT LINK](#)). The APWA Missouri Chapter is a division of the APWA national organization, which is a not-for-profit, 510 (c) (3) organization. APWA's Federal Tax Identification Number 36-2202880

If you have any questions, please contact me at (660) 349-5757 or via e-mail at mteel@greatriv.com.

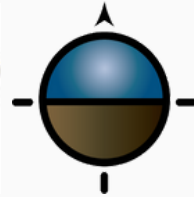

Thank you for considering a 2025 sponsorship of the APWA Missouri Chapter!

Kindest Regards,
APWA Missouri Vice President
Michael Teel
Great River Engineering

2025 MO CHAPTER APWA SPONSORS

PLATINUM SPONSORS

GOLD SPONSORS

SILVER SPONSORS

APWA NEWS

THANK YOU FROM THE LITTLE BIT FOUNDATION

We received this wonderful thank you letter from the Little Bit Foundation for our donation of \$375. Thank you to everyone that donated in 2024 to make this gift possible. Let's raise even more in 2025!!

APWA - Missouri Chapter
1533 Legacy Circle
Fenton, MO 63026-2380

February 11, 2025

Dear Friends of Little Bit,

Thank you for supporting The Little Bit Foundation with your donation! Your gifts are essential to sustaining and growing our mission across the St. Louis region – a mission that today is touching the lives of more than 17,000 students in 54 school communities.

In each of these school communities, Little Bit works alongside families, teachers, school counselors, administrators and staff, and our partner agencies, in supporting students throughout their educational journey in every aspect of their development. We call it our whole child model, and it's made up of touchpoints – not always big ones – but a lot of little touch points that can have a big impact on a student's ability to attend school, focus on learning, experience new things, understand the future pathways available to them, and realize their dreams.

In 2025, we will continue to build out each area of our whole child model – essentials, health and nutrition, family support, academic equity and enrichment, and college and career readiness – while working to reach more under-resourced students and schools. We are so grateful and excited to be conducting this work out of our new headquarters in Maryland Heights, which we officially moved into in December.

Thank you again for helping to ensure that *all* students have the opportunity for success! We look forward to updating you on our progress throughout the year. Please contact us anytime to learn more about all the ways your gifts are making an impact in our communities.

Sincerely,

Miranda Walker Jones
President and CEO

Merritt McCarthy
Sr. Director of Development

Gift amount: \$375.00

Gift date: 01/16/2025

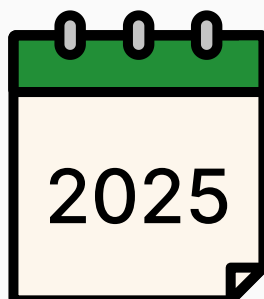

The Little Bit Foundation is a 501(c)(3) not-for-profit organization (FEIN 20-0126713). No goods or services were received in exchange for this contribution.

"You have been so nice to me; you make me believe in myself." STUDENT

EMPLOYMENT

EMPLOYMENT OPPORTUNITIES

JOB POSTING - CITY OF WEBSTER GROVES Engineering Technician

\$66,732 - \$93,421

The City of Webster Groves Public Works team takes pride in executing the traditional functions of Public Works while providing excellent customer service.

The Department of Public Works oversees a number of services through its Engineering & Administration and Street Divisions. Engineering technician in this department.

[MORE INFO](#)

Public Works Maintenance Worker

\$40,974 – \$60,936

The City of Ellisville Public Works Department is seeking a full-time maintenance worker to assist in general maintenance of parks, streets and public property. Must be able to operate/maintain light mechanical and commercial grounds keeping equipment. Requires H.S. diploma or equivalent and valid Class "E" Chauffeur's Driver's License or ability to obtain within 6 months. A Class "B" Commercial Driver's License is preferred.

[Maintenance Worker](#)

EMPLOYMENT

EMPLOYMENT OPPORTUNITIES

JOB POSTING - CITY OF COLUMBIA Traffic Engineer

\$30.72/hr – \$37.79/hr

The City of Columbia seeks a full time traffic engineer to provide professional engineering design, maintenance, and technical support. Ensures proper function, adequate capacity, and regulatory compliance.

[Engineer \(traffic\)](#)

Public Works Director

\$70,262 – \$79,238

Under the general direction of the City Administrator, the Director of Public Works manages and directs all activities and operations involving the City's Public Works (street maintenance, property and vehicle maintenance, snow removal, and other services) and public works projects. The Director of Public Works is responsible for addressing citizen complaints, both verbal and written, related to the Department's operation. The Director of Public Works supervises a small staff of public works laborers and must be skilled in leadership abilities.

TO APPLY:

Please send a copy of your resume and cover letter to City Administrator, Samuel Johnson, at sjohnson@cityofnormandy.gov.

EMPLOYMENT

EMPLOYMENT OPPORTUNITIES

Municipal Engineer

Anticipating starting: **\$69,953**

The position is responsible for the planning and design review of public infrastructure within the City of Sunset Hills. This role involves collaborating with internal and external stakeholders and ensuring projects comply with all applicable codes and regulations. The ideal candidate will be a highly motivated individual with a strong background in civil engineering, project management, and related fields.

[Municipal Engineer](#)

Sanitation Director

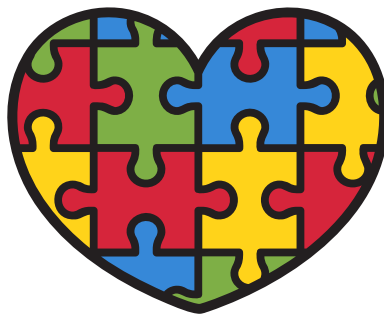

\$87,000 – \$106,000

The City seeks a proactive and creative professional to elevate and direct the city's sanitation division. The position provides leadership and management over the city's waste control and disposal methods such as source reduction, recycling, reuse, and landfilling to create an effective impact on the environment and to protect human health.

[Sanitation Director](#)

OTHER

AUTISM ACCEPTANCE MONTH

Autism Acceptance Month: Building Inclusive Communities Through Public Works

April is Autism Awareness Month, a time dedicated to increasing understanding and acceptance of people with autism. For those of us in the public works profession, this month offers an opportunity to reflect on how our work impacts individuals of all abilities and how we can do more to support inclusive, accessible communities.

Autism, or autism spectrum disorder (ASD), affects how people communicate, interact, and experience the world. Many people with autism may be sensitive to noise, lights, crowds, or unpredictable environments. These factors can be influenced by public infrastructure and design. That's where public works professionals play a powerful role.

From quieter, sensory-friendly spaces in parks to improved wayfinding signage and accessible sidewalks, thoughtful planning and design can make public spaces more comfortable for those on the autism spectrum. Traffic signals with visual and auditory cues, inclusive playgrounds, and even training staff to understand neurodiversity are just a few steps that help create a more welcoming environment for all.

Public works isn't just about concrete and construction, it's also about people. By prioritizing inclusive design and embracing universal accessibility, we can honor the spirit of Autism Awareness Month and help build communities where everyone feels safe, respected, and included.

Let's continue to use our tools and talents to make a meaningful difference. After all, a community that works for everyone is a stronger, more compassionate community for all.
