## APWA NEWS

## 2026 MO CHAPTER SPONSORSHIP

Dear Potential Sponsor,

The American Public Works Association (APWA) exists to develop and support the people, agencies, and organizations that plan, build, maintain, and improve our communities. Just as communities count on their public works professionals, APWA strives to be the organization those professionals know they can count on.

We invite you to become a 2026 sponsor of the APWA Missouri Chapter and partner with our organization to further our mutual goals. Please note that by Sponsoring the Chapter, you are also sponsoring the St. Louis Branch of APWA. There are many events that the Chapter pays the branch to support branch activities.

The APWA Missouri Chapter, established in 1958, engages in the same educational, networking and public service activities as our national parent organization, but we do so close to home where members can easily take advantage of our programs. The Missouri Chapter offers members various opportunities to attend educational programs, biannual conferences, and equipment shows as well as chances to network with their colleagues and peers in a professional setting. Missouri Chapter members represent every discipline in the public works field including public works directors and engineers, contractors, engineering consultants, material and equipment suppliers, public works street superintendents, project managers, stormwater professionals, and many others.

Missouri Chapter APWA is offering your organization an opportunity to share in our mission and success through sponsorship. Annual sponsorships for 2026 offer a wide range of opportunities to fit every company's marketing budget. Your sponsorship promotes and enables the educational mission and goals of the Missouri Chapter, and can also enable enhanced relationships with existing clients, facilitate new relationships with potential clients and strengthen your visibility in the state-wide public works industry.

Please take a moment to review the following sponsorship information, including the benefits of sponsorship, and consider choosing a level that best fits your abilities and company's budget. The benefits will be applied for the entire calendar year of 2026.

### Silver Level: \$150

Special recognition at Chapter conferences in the spring and fall  
Sponsor's name printed on Chapter conference agendas in the spring and fall  
Special recognition on APWA Missouri Chapter website and monthly newsletters

### Gold Level: \$500

All benefits of Silver Level Sponsor, plus:  
Opportunity to write an article for the Chapter newsletter once per year

### Platinum Level: \$1,000+

All benefits of Gold Level Sponsor, plus:  
One conference registration and vendor booth for the 2025 spring or fall Chapter conference  
To sponsor Missouri Chapter APWA for 2026, use the following link where payment method can be selected which includes check or credit card:([PAYMENT LINK](#)). ### Conference and Exhibit Show Highlights

The MAX | 2026 Conference offers attendees a wide variety of education sessions and networking opportunities. Continuing the tradition established 43 years ago with the first Mid-America Conference in 1983, this year's conference is no exception! Conference highlights include general session presentations on FIFA World Cup Update, Emergency Management, Successful Grant Implementation, Pavement Management, and Keynote Speaker, Jasmine D. Evans.

The Exhibit show will present firms and organizations providing materials, equipment, services, and information of value to Public Works practitioners. Numerous events will take place in the exhibit hall, including a Get Acquainted Party, prize drawings, breaks and vendor tech talks! Lunch will be adjacent to the Exhibit Hall to allow for great learning opportunities.

Finally, the five host chapters of the Mid-America Conference will hold a joint National Public Works Week Celebration to recognize the role of Public Works in our quality of life! Be prepared for food, drinks, fun, and PICKLEBALL!
